About RAAFA: going Above and Beyond

RAAFA is one of WA's largest and most trusted retirement living and residential care providers and has been caring for people in WA since 1929.

A unique not-for-profit organisation, our focus is always on creating a

positive impact for our community. We are always investing into our organisation to provide contemporary facilities and services to our members.

At RAAFA, we are committed to pursuing excellence in care and

heritage, by creating RAAFA communities open to all. To achieve this vision, we provide retirement living, residential care, respite care, home care, community and veteran welfare and philanthropic activities.
