Disclaimer

From time to time the Department of Health, Western Australia uses SurveyMonkey for the collection, aggregation and analysis of survey data. The information collected in these surveys is transmitted and stored securely in the United States and is accessed by the Department in accordance with SurveyMonkey's terms of use. The Department regularly removes collected data from SurveyMonkey so it is no longer stored offshore (outside of Australia). You may decline to provide this information by not responding to these surveys. If you do provide a survey answer you consent to storage of your survey answer offshore. This means that once you have chosen to participate in the survey, the Department will not have an obligation to take reasonable steps to ensure that SurveyMonkey does not breach the Australian Privacy Principles in relation to personal information that is given to SurveyMonkey. Access SurveyMonkey's privacy policy.

The Aeromedical Services WA Inquiry (the Inquiry) was established under part 15 of the Public Health Act 2016.

The aim of the Inquiry is to review current arrangement for aeromedical transport and make recommendation for improving patient outcomes and related governance and coordination arrangements.

This short survey will obtain your contact information, provide an opportunity to highlight any queries regarding the Terms of Reference, and your priorities with regard to the Inquiry's Strategic Framework.

This survey should take between 5 and 10 minutes depending on your answers.

* 1. Have you been formally designated as the Responsible Officer to respond on behalf of your organisation?

- ◯ Yes
- ◯ No

Contact Details

* 2. Responsible Officer Contact Details

Organisation (Required)	
Responsible Officer's name (Required)

Terms of Reference (TOR)

The TOR has been determined by the Chief Health Officer WA and are available at: ww2.health.wa.gov.au/Improving-WA-Health/Aeromedical-Services-WA-Inquiry

Future communication with you and/or your organisation, discussion at public meetings, and formal hearings in early 2022, will enable the Inquiry to address these TOR.

5. Do you have any specific comment/s or questions specifically about the TOR, their scope or meaning?

Strategic Framework

The Strategic Framework will be used to structure a response to the TOR and will consider 7 domains related to aeromedical services and systems. these are:

1. **Policy and System**
    - **Corporate governance**
    - **Governance environment**
    - **Policy and procedures**
    - **Type and distribution of aircraft**
2. **Case coordination**
3. **Clinical governance**
4. **Workforce**
5. **Knowledge management**
    - **Education**
    - **Research**
    - **Evidence base**
6. **Information management systems**
    - **Operational systems**
    - **Business systems**
7. **Funding model**

During the Inquiry, you/or your organisation will be asked to contribute to analysis and improvement in each of these domains. At this point however, the Inquiry is looking to prioritise its focus, and asks you to nominate <u>two</u> domains which you believe the Inquiry must address as a priority to ensure system improvements and patient outcomes.

6. Domain 1

Why? (max. 1000 characters)

7. Domain 2

Why? (max. 1000 characters)

8. Any other Comments regarding the Strategic Framework

Further Contact

9. Do you need the project office to contact you to discuss any matters relating to the TOR or Inquiry prior to the Inquiry's request for formal submissions during mid-to-late September?

- [ ] Yes
- [ ] No

Notes (max. 1000 characters)

10. Are there any other organisations you wish to suggest the Inquiry connects with?

- ( ) Yes
- ( ) No

Other organisations: (please list) (max. 300 characters)
